

Terms and Conditions Your Safety Company AED Loaner Program

Your Safety Company is pleased to offer our customers the free use of a ZOLL AED Plus “loaner” while your AED is being serviced at our facility. We are attempting to meet the needs of all who have requested a loaner program and therefore have established a list of terms and conditions, the adherence of which will help to expedite our service process and satisfy the many in need of this program.

You must agree to the following terms and conditions in order to participate in our loaner program.

1. Your Safety Company will charge a \$15 shipping and handling fee to send the loaner AED to you.
2. Once you receive the loaner, you will have 24 hours, excluding weekends and holidays, to ship your AED to Your Safety Company.
3. Your Safety Company will service your AED and ship it back to you within 48 hours.
4. Once you receive your AED, you will ship the loaner back to Your Safety Company within 24 hours of the receipt of your AED. Again, this excludes weekends and holidays. A tracking number must be supplied to Your Safety Company to verify shipment.
5. Failure to send us your AED or return the loaner AED within the specified time periods outlined in numbers 2 and 4 above, will result in a daily late fee of \$20 including weekends and holidays.
6. All charges for the loaner program and related upgrade services must be paid via credit card. Exceptions will be allowed for existing open account customers.
